**State of Libya**

**Ministry of Education**

**Sebha University**

The Sabha University bears a name indicating the city on which it was established. The University was established by decision of the former People's Committee No. 187/1983 where it was located in the city of Sabha Faculty of Education and was followed by the University of Tripoli from 1976 until the beginning of 1983. This Faculty was divided into two Faculty of Arts and Sciences. The university currently has 21 colleges spread over five campuses on the following cities: Sabha, Aubari, Gatt, Barrak, Tregan, Zouwaila and outside of Libya, N'Djamena - Chad.

The graduate program of the university began at the Faculty of Arts in the academic year 1990/1991 and was followed by the Faculty of Science, Engineering, Technology, Agriculture, and Energy and Mining Engineering. The University is currently pursuing a PhD program. The university periodically organizes scientific and sports activities, exhibitions, scientific conferences, awareness seminars, training courses, evaluation of scientific research in local and international scientific journals. It also participates in various activities organized by other universities inside and outside Libya.
