

State of Libya
Ministry of Education
Sebha University

The Sabha University bears a name indicating the city on which it was established. The University was established by decision of the former People's Committee No. 187/1983 where it was located in the city of Sabha Faculty of Education and was followed by the University of Tripoli from 1976 until the beginning of 1983. This Faculty was divided into two Faculty of Arts and Sciences. The university currently has 21 colleges spread over five campuses on the following cities: Sabha, Aubari, Gatt, Barrak, Tregan, Zouwaila and outside of Libya, N'Djamena - Chad.

The graduate program of the university began at the Faculty of Arts in the academic year 1990/1991 and was followed by the Faculty of Science, Engineering, Technology, Agriculture, and Energy and Mining Engineering. The University is currently pursuing a PhD program. The university periodically organizes scientific and sports activities, exhibitions, scientific conferences, awareness seminars, training courses, evaluation of scientific research in local and international scientific journals. It also participates in various activities organized by other universities inside and outside Libya.

University vision

Leadership in education, scientific research, and community service.

University Message

1. Dissemination of knowledge and the development of scientific research using the latest methods.

2. Promoting creativity and innovation in the service of society.
3. Localization and employment of technology through effective partnership with local and international organizations.
4. Meeting the needs of the community of scientific expertise and competencies capable of interacting with the issues of society.

University Goals

1. The consolidation of Islamic values and Arab culture and strengthening the national spirit.
2. Promoting scientific research and seeking to spread knowledge and critical thinking.
3. Employment of scientific knowledge in the field of production and community development.
4. Preparation of specialists in different branches of knowledge in line with advances in science and technology.
5. Making the university a center to attract scientific expertise and competencies capable of construction and development.
6. The application of precise performance control standards to reach the university to the highest quality and advancement of the world.
7. Optimize the University's potential and resources to improve performance and improve output.

Academic Educational programs at the university

The Sabha University offers many academic programs in various faculties of the university. Students are offered undergraduate's degrees at the level in all departments according to the academic plans of the faculties. For the postgraduate level, the university offers a postgraduate program (master's degree) according to the plans of study in the Faculty.

Postgraduate studies in faculties

Total number of educational programs in the upper stage 22 programs distributed to five faculties:

1. **Faculty of Arts:** is granted the certificate of higher leave in the following sections: Arabic language - Quran sciences - History - Interpretation - Geography - Psychology - Sociology - English
2. **Faculty of Science:** The certificate of higher education is granted in the following sections: Chemistry - Plant - Zoology - Physics - Computer - Mathematics.
3. **Faculty of Engineering and Technical Sciences:** The certificate of higher leave is granted in the following sections: Civil Engineering - Electronic Engineering - Medical Laboratory Sciences - Environmental Sciences - Food Science and Technology.
4. **Faculty of Energy and Mining:** The certificate of the Higher Degree in Renewable Energies is granted in the Department of Renewable Energies and approved with the **Tempus Program**
5. **Faculty of Agriculture:** The certificate of higher leave is granted in the following sections: Soil and Water - Agricultural Economics

Basic information about the University of Sebha:

- a. Date of establishment: 1983 by decision No. 187
- b. The number of colleges is 21 colleges
- c. One Faculty outside of Libya **N'Djamena Chad**
- d. Number of centers affiliated with 6 centers
- e. Number of employees: 1300 employees
- f. Number of teaching staff: 1290 with 2% international

- g. Number of Students: 10948 with 2.78% international
- h. Number of departments and divisions: 98
- i. Number of graduated students: 37452
- j. 5 Libya innovation prizes for 2016-2018
- k. 3 patents

• **Number of agreements signed with the corresponding institutions:**

- a. At the local level, 4 local agreements
- b. At the international level, 44 international agreements as the following:
 - 6 local agreements
 - 26 international agreements
 - 18 international agreements under process

International projects supported with EU:

- Uni.Gov
- Wheel
- Tempus
- Enbrain
- Nicosia incentive

Publications issued by the University:

Scientific Journals: The Sabha University publishes three semi-annual scientific journals

- Journal of Human Sciences
- Journal of Applied and Applied Sciences
- Journal of Medical Sciences

• **Published Books: 181 books**

Centers

The Sabha University has 6 number of centers that provide services to students, faculty members and the community:

1. Media Center: was established on 12/6/2004 by the decision number 410
2. Quality and Performance Assessment Office: was established on 2006 (first office in Libyan universities)
3. Information Technology Center
4. Center for Research and Research Consultancy
5. Training & Development Center was established on 2016
6. Center for Entrepreneurship and Innovation
7. Language Center 2004

Table 1 shows the number of centers at the Sabha University

Date of construction	Decision number	Center / office
7/10/2001	416	Media center
12/6/2004	410	Office of quality and performance evaluation (first office in Libyan universities)
2001	4	Technical information Center
2001	135	Center Aldrasa Advisory and research
2016	10	Training and Development Center
2018	534	Leadership Innovation Center
2008	7	Languages Center
